I will see you all at the AGM and thank you

Gillian Rankin

In light of the level of bank balances Garry Whittle proposed taking the grants back to £600 pa from £400. This was seconded by Lindsay Hargreaves and unanimously agreed.

8. Age Group Secretary's Report

Level 2 Meet

Both weekends ran smoothly in spite of the issue with one of the timing pads during the first weekend. We ran with 7 lanes. It didn't have too much impact on the timings of the sessions. This was rectified for the second weekend and we were able to run with 8 lanes. There was some good swimming over the two weekends and many swimmers achieved PB's leading them to County and Regional qualification.

Congratulations to Preston who won the overall championship trophy.

Thanks to Bob for co-ordinating the officials and to the team of officials for their work.

Thanks to Garry for keeping the sessions running well.

My thanks to the clubs who fulfilled their allotted roles although some clubs were unable to provide personnel. What is hard is when I am not informed until the day or no-one turns up!! This adds to the stress. It was particularly noticeable this weekend made more difficult because we were struggling with illness etc. Thank you to those clubs who stepped up and helped.

Thanks to Sue for making the presentations and also for organising the lunches on the Sundays and to Jayne Brophy who helped her.

Using the hall for officials and coaches was much better giving much more space.

I must also say a big thank you to the pool staff. They were great throughout both weekends but particularly the second weekend. They had enough problems of their own including the lift breaking down two days before the gala.

Squadrons

The swimmers from the clubs who competed really enjoyed the afternoon. Sadly only 5 clubs competed but all teams went away with at least one set of medals. Congratulations to Preston who won the Squadron Shield.

I don't know what the answer is really to make this a more popular competition.

It is fun, good for team building and of course very noisy!!

We have tried different ways of swimming the squadrons. Last year we included them in the Level 2 programme but in the main coaches did not like this.
